INGREDIENTS

- 4 cups shredded zucchini (~2 medium zucchini)
- $\frac{3}{4}$ teaspoon fine salt, divided
- 2 large eggs
- $\frac{1}{4}$ cup bread crumbs*
- $\frac{1}{4}$ cup shredded Parmesan cheese*
- $\frac{1}{4}$ cup finely diced yellow onion
- $\frac{1}{2}$ teaspoon baking powder
- $\frac{1}{2}$ teaspoon garlic powder
- $\frac{1}{4}$ teaspoon Italian seasoning
- $\frac{1}{4}$ teaspoon red pepper flakes
- $\frac{1}{8}$ teaspoon black pepper
- 1 tablespoon avocado oil, divided
- Optional for topping: sliced green onion, sour cream, red pepper flakes, and/or fine salt and pepper

INSTRUCTIONS

1. In a colander, place the shredded zucchini and sprinkle $\frac{1}{2}$ teaspoon salt over top. Toss gently and let sit for 10 minutes to allow zucchini to "sweat" and release liquid into the sink or over a bowl. After 10 minutes, transfer the zucchini to a flour sack towel, paper towel, or cheesecloth. Squeeze as much liquid out as you possibly can. (NOTE: This step is important to remove as much moisture as possible from the shredded zucchini).
2. In a medium bowl, combine the eggs, bread crumbs, Parmesan cheese, onion, baking powder, garlic powder, Italian seasoning, red pepper flakes, remaining $\frac{1}{4}$ teaspoon salt, and black pepper.
3. Add the squeezed shredded zucchini to the bowl and stir to combine well.
4. Place a medium skillet on the stove over medium-high heat or preheat a griddle to medium-high heat. Cook in two batches. Add $\frac{1}{2}$ tablespoon of oil to the skillet. Once hot, drop $\frac{1}{4}$ -cup portions of the zucchini mixture onto the pan, working in batches and cooking 4 fritters at a time. Press down gently as they cook so the fritters are about $\frac{1}{2}$ -inch thick.
5. Cook until they are nice and golden brown, 3-5 minutes, on one side. Then flip each one carefully and cook for another 2-3 minutes on the other side. When golden brown on both sides and cooked through, transfer the fritters to a wire rack or plate. Add the remaining $\frac{1}{2}$ tablespoon of oil to the skillet and repeat with the second batch.

6. Serve the fritters warm and, if desired, top with a dollop of sour cream, or add green onion and a pinch of crushed red pepper for a little kick.
 7. Store leftovers in an airtight container in the refrigerator for up to 4 days.

NOTES

- * For gluten free, use an equal amount of gluten-free bread crumbs.
 - * For dairy free, substitute $\frac{1}{4}$ cup almond flour for the $\frac{1}{4}$ cup Parmesan cheese.
